IT / English / Management

Despre mine

I am a seasoned professional with a degree in Education Sciences and a distinguished 12-year career spanning English language instruction, translation, IT support, administration, project management, and procurement. My experience includes substantial roles in both non-profit and corporate sectors, as well as international organizations, where I have consistently demonstrated exceptional skills in strategic planning, organizational efficiency, task prioritization, and adept multitasking. My refined communication abilities, capacity to perform under pressure, exemplary customer service, and technical acumen have been instrumental in my success. I am fluent in Romanian, English, and Russian, which further enhances my ability to work effectively in diverse environments. This diverse expertise allows me to seamlessly adapt and excel, delivering superior outcomes across various professional landscapes.
