# Front-End Developer

## About me

Frontend Developer with over seven years of experience in crafting and maintaining innovative web and mobile applications using React, React Native, Expo, NextJs and TypeScript. Expertise in implementing responsive designs, creating reusable components, and enhancing application state management to ensure seamless user experiences across devices. Proficient in employing modern JavaScript features and developing user-friendly interfaces, demonstrating a strong ability to troubleshoot and resolve complex issues efficiently. Recognised for strong communication and collaboration skills, contributing effectively within team environments to drive project success. Committed to continuous learning and implementing best practices in frontend development.
